

CASA DI NOELIA

WHERE STORIES TAKE PLACES

CIN AD 2024

At the foot of the Tuscan-Romagnolo Apennines,
between wide valleys and ancient woods,
stands a square-plan villa surrounded by vineyards.

Built by the Marquises Albicini in 1731,
some know it as Pandolfa,
Villa of the Spirits
or House with a 100 windows.

But for everyone, now, it is Noelia's House.

“CASA DI NOELIA HOUSES A FAMILY.
ALONG WITH POETS, COMMANDERS, FRE-
SCOES, VISIONARY WOMEN AND SWEET
SUMMERS.

CASA DI NOELIA HOUSES COOL AND FRE-
SH BREEZES, THE ONES FULL OF FLOWER,
WINE AND FIELD GRASS PERFUMES.

HIDDEN AMONG OLD OLIVE TREES AND
THE HILLS OF AN UNREVEALED LAND, ITA-
LIAN HISTORY WITH ITS WAR AND PEACE
LEFT ITS TRACES HERE ON THE ESTATE.

IN CASA DI NOELIA MEMORIES, DREAMS,
PARTIES, BANQUETS, AND FLASHES OF GE-
NIUS ARE UNVEILED.

HERE LIVES THE IDEA THAT TO CREATE
AND BE INSPIRED ONE NEEDS TO BE SUR-
ROUNDED BY ART AND NATURE.

THIS IS WHY CASA DI NOELIA HOUSES
SO MANY STORIES, AND THE NEXT ONE
COULD BE YOURS.”

CORPORATE

A new tale for your company

Casa di Noelia is an ideal place for important business occasions. Large and bright spaces, a 140-hectare park, among vineyards, olive groves and woods, far from the chaos and stress of the city.

Our large Villa can be rented entirely or the individual rooms can be used for meetings and events, with a capacity of 20 to 250 people.

You can take a break in the many spaces of the Villa, take a tour of the cellar or a walk in nature. In a group or alone, it is possible to book one of our many Experiences, such as tasting our wines, foraging in our spontaneous garden or a journey to discover the beauties of the Apennines.

TEAM BUILDING

TEAM BUILDING

We know that Team Building activities are a fundamental tool to create a close-knit and productive working group, which is essential for business success.

And we also know that Casa di Noelia is the perfect place to carry out this type of activity.

Thanks to the rich production activity of Wines, Extra Virgin Olive Oil, natural cosmetic products and hospitality for private individuals, we have developed a series of gastronomic and sporting activities that will motivate the participants with the perfect balance between play, competition and fun.

Whether the purpose of the activity is recreational or competitive, the team building experts at our disposal will be able to capture the true spirit of each event, with efficient and meticulous planning.

All activities are carried out within Casa di Noelia, and revolve around the themes of nature, biodiversity and sustainability.

Among the possible activities:

- Sommelier in 60'
- Wine challenge with the creation of your own wine, label and commercial strategy
- Pasta challenge
- Foraging challenge
- Create your herbal tea: foraging mini-course and final tasting
- Treasure hunt for adults inside the estate

SHOOTING

Casa di Noelia is an ideal location for photo shootings and film sets. It offers magnificent landscapes in an authentic context, among rolling hills as far as the eye can see, vineyards and woods.

The house, built in 1736 and restored in the 1950s, has kept many authentic elements. The square shape and the 100 windows create very beautiful light contrasts.

SPACES

The Villa offers large spaces both inside and outside.
